## STRATEGIC ALIGNMENT

### COMMUNITY VITAL SIGNS

Supports the Countywide Vision's Wellness Element and coordinates the Community Transformation Plan with community members, stakeholders and partner organizations.

### INTERSHIPS AND VOLUNTEER PROGRAM

Provides opportunities for community members to volunteer and for university students to intern in a wide variety of Department of Public Health programs.

## HEALTH EQUITY

### HEALTHY COMMUNITIES INITIATIVE

The Healthy Communities Initiative partners with cities and towns to advance health equity by supporting policy, systems, and environmental (PSE) changes that create healthier, safer, and more resilient communities for all residents.

### COMMUNITY ENGAGEMENT

The Community Engagement team focuses on creating and fostering trusted relationships with community members and stakeholders. Through outreach, partnership management, and community-driven strategies, the team also works to collaborate with and support local organizations.

## COMMUNICABLE DISEASE SECTION | 800-722-4794

- Answers questions about infectious diseases like hepatitis, flu, MRSA, tuberculosis, food-related illnesses, STIs, and HIV/AIDS.
- Implements infection controls in the community.
- Investigates reports of communicable diseases and outbreaks.
